SUBMISSION OF FORMAL DRAWINGS

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the Notice of Allowability mailed December 7, 1999, Applicants submit herewith 2 sheets of formal drawings of Figs. 7-11. Although the Notice indicated that the drawings were to be corrected in accordance with the Notice of Draftsperson's Patent Drawing Review attached to Paper No. 5, no such Review was attached to Paper No. 5, and, therefore, it is unknown as to which further drawing corrections are required. The PTO Draftsperson is reminded that this is a national phase application, and, as such, "[a]ny drawing meeting [PCT] requirements must be accepted in the national phase by the designated Offices. Drawings newly executed according to national standards **may not be required** during the national phase if the drawings filed with the international application comply with Rule 11." (See PCT Rules 11.10, 11.11, and 11.13.)

Respectfully submitted,
